Saturday, 19 March 2011. 9:00 am to 12:30 pm

Assembly point:

9:00 am Scout Path , nearby Hong Kong Scout Centre , Jordan , Kowloon .

Programme Highlights

Fire Services Department Diving Base was commissioned in 2009. Advanced equipment for diving training is in place for Fire Services diving personnel to conduct professional diving training.

The Diving unit comprises about 150 active drives responsible for all aquatic search and rescue within Hong Kong water down to the maximum depth of 42 meter using compressed air diving equipment and underwater breaking in tools.

The Diving base also operates a three compartment chamber for treating patients suffering from decompression illness and requiring hyperbaric oxygen treatment.

During the visit, staff of Fire Services Department will introduce the facilities and the technologies behind them.
