

HKIE Fire Division (1-Day Symposium 2011) –

AM / PM Session on 6.4.2011

The Symposium, organized by the Fire Division of Hong Kong Institution of Engineers, will be held on **6th April 2011** at **Theatre 2, Hong Kong Convention and Exhibition Centre**. The main theme of the Symposium is **“Global Emerging Trend in Fire Engineering Design”**.

Title: HKIE Fire Division (1-Day Symposium 2011) – AM / PM Session on 6.4.2011.

Description

Details of the topics and speakers of the symposium are appended:

Overseas and Mainland Speakers:-

(1) Fire & Life Safety Considerations for Super-tall Buildings: Burj Khalifa (by Mr. James H. ANTELL AIA, P.E , Executive Vice President-International Operations Rolf Jensen & Associates, Inc.)

(2) Driving the Future of Fire Engineering in the UK
(by Prof. David CHARTERS, Director of Fire Engineering Analysis Group BRE)

(3) The Use of International Fire Engineering Guidelines
(by Mr. Simon DAVIS, ME(Fire), MBldSc(Dist), BE(Mech) Engineering Manager, National Headquarters, New Zealand Fire Service)

(4) Development of Fire Safety Standardisation and the Trend of Fire Technology in Mainland China
(by Mr. HU Zhong-Ri Chief Researcher Sichuan Fire Research Institute, Ministry of Public Security PR China)

(5) The Next Step in Fire Engineering Design: Targeting the Real Hazards
(by Mr. Russell John KILMARTIN Director, Principal Scientific Fire Services Pty. Limited)

Local Speakers:-

(1) High-rise Buildings - Escape by Staircases or Lifts

(by Ir Anny IP / Ir Dr. MC LUO Senior Engineer / Director Ove Arup & Partners Hong Kong Ltd.)

(2) Evacuation and Rescue Strategy for Tunnels

(by Mr. Steven LAI, Assistant Vice-President and Technical Director Parsons Brinckerhoff (Asia) Ltd.)

(3) Whole Building Behaviour and Long Span Steel Structures at Elevated Temperatures

(by Ir Dr. Young WONG Associate Director Ove Arup & Partners Hong Kong Ltd.)

(4) The Current Researches and New Trends in Fire Retardant Materials Development

(by Ir Dr. Richard YUEN Associate Professor Department of Building and Construction City University of Hong Kong)

For continuous professional development of members, the CHKFPA has reserved **5 tickets** of the above Symposium for the members to apply for **free**.

Interested members may register for either the AM Session or PM Session by e-mail to Mr. LU Chau Ming at **gr142@netvigator.com**.

Please note that members are eligible for the application on a first-come-first-served basis. Successful applicants will be informed separately by phone or e-mail **on or before 30 March 2011**.
